555 SPORTING

OVERVIEW:

The over/under line-up is adding value to the sporting clays and trap leagues with the new 555 Sporting model. Its lightweight aluminum alloy receiver is scaled to gauge and incorporates a steel insert that reinforces the breech, minimizing weight and maximizing strength. Added features like a raised ventilated rib with mid-bead and front fiberoptic sight give shooters a competitive advantage and the adjustable cheek riser accommodates any framed shooter at a price that's unmatched among comparable models.
