OVERVIEW:

When the stakes are high, the versatile 110 Carbon Tactical performs. Offering uncompromised balance, the Savage® rifle pairs together an exclusive PROOF Research® stainless steel, carbon fiber wrapped barrel with a rigid AccuFit Stock with AccuStock, which secures the action three-dimensionally along its entire length. The user-adjustable AccuTrigger, threaded barrel, 1-piece 20 MOA rail, 3 sling swivel studs and beavertail forend round out the added performance features of this model.
