- Custom-forged upper and lower receivers
- Non-reciprocating side charging handle
- Tunable muzzle brake
- Two-stage trigger
- Free-float handguard with M-LOK®
- Hogue® Pistol Grip

OVERVIEW:

Any distance, any competitor—there's no match for the MSR 15 Long Range. Savage tuned the barrel length specifically for the 224 Valkyrie cartridge to achieve peak accuracy at extreme range. The barrel is also topped with an adjustable Savage-designed muzzle brake the shooter can tune to the recoil impulse of the rifle to stabilize the muzzle, allowing for faster, more accurate follow-up shots. The custom-length, low-profile, gas block is enclosed by a custom free-float handguard and can be adjusted for optimum cycling of the full range of bullet weights and tuned for use with a suppressor.

| PART # | CALIBER | BARREL LENGTH | TWIST RATE | OVERALL LENGTH | CAPACITY | WEIGHT (LBS) | MSRP |
|--------|--------------|---------------|------------|----------------|----------|--------------|---------|
| 22947 | 224 VALKYRIE | 22" | " | 42.85 - 44" | | 10.54 | \$1,979 |
