OVERVIEW:

Durability at the range and optimal features are what makes the A22 FV-SR Overwatch a reliable platform. The semi-automatic 22 LR upgrades the original A22 platform with a button-rifled, medium-contour barrel and threaded muzzle. The rifle features a Mossy Oak Overwatch synthetic stock, the exclusive camouflage of the National Rifle Association, and a rugged matte finish, ready to withstand any abuse at the range. The A22 FV-SR Overwatch user-adjustable AccuTrigger™ and reliable straight blowback action ensure accuracy, reliability and durability all in one from Savage®.
