## OVERVIEW:

Making an extreme range shot on the trophy of a lifetime requires not only a rifle built for accuracy, but a rifle built for you. The Savage 110 Long Range Hunter's AccuFit? system lets you easily customize the length-of-pull and comb height for a personalized fit, while the user-adjustable AccuTrigger? offers a crisp, clean pull. Together with the AccuStock?, which secures the action three-dimensionally along its entire length, the 110 Long Range Hunter provides the fit and function of a custom rifle?right out of the box. Its 26-inch button rifled barrel provides the utmost precision and consistency, and is topped with a muzzle brake.
