110 STORM

OVERVIEW:

Conquer hunting's most punishing weather and extend your effective range with the 110 Storm. The rugged rifle's AccuFit™ system lets the shooter customize length-of-pull and comb height for comfort and consistency, and the user-adjustable AccuTrigger™ provides a light, crisp pull. Together with the AccuStock™, which secures the action three-dimensionally along its entire length, the 110 Storm provides the fit and function of a custom rifle—right out of the box. The rifle is built on Savage's time-tested 110 platform but with a modern design and improved ergonomics.
