AXIS II XP FDE

OVERVIEW:

Precision, performance and value have never come together like this. The proven package rifles have been upgraded with new, Flat Dark Earth, ergonomic synthetic stocks that let any hunter shoot their best. Like always, the rifle's user adjustable AccuTrigger™, thread in headspacing and floating bolt head extract the utmost accuracy from the 22 inch button rifled sporter barrel for the performance of high end hunting rifles at a fraction of the price.
