sold separately by Magpul®

BETTER COMES STANDARD.

OVERVIEW:

Savage® teamed up with Magpul® to pair a premium aftermarket stock with the proven 110 action. The 110 Magpul Hunter features a factory blueprinted action with an 18" threaded heavy barrel optimal for any need and the Cerakote Tungsten finish prevents corrosion and exposure to the elements. The knurled bolt handle, adjustable length of pull, and *comb height options from Magpul round out ergonomic improvements to this Model 110. Those features paired with the user-adjustable AccuTrigger® allows crisp, clean shots to close out the perfect shot. Savage and Magpul thought of everyone when they created this package, available for both left and right-handed shooters.
