B17 G

OVERVIEW:

The B17 G blends the world's most advanced rimfire technology with classic looks. Its walnut-stained hardwood stock offers the same modern ergonomics of the original B Series. The higher comb, top tang safety and target-style, vertical pistol grip allow shooters to hold the rifle in a more natural position that puts less pressure on the wrist. It features a 10-round rotary magazine and the accuracy-boosting adjustable AccuTrigger.
